

Welcome to our class!

I am Mrs. Stafford, and I am so excited that you are in my class this year! We are going to have so much fun in first grade! As a member of our class, you are now part of a fantastic team known as the *STAFFORD STARS*. Here in our class we have big things planned such as holiday parties, arts and crafts, sharing stories about ourselves with friends, and much, much more. On the first day of school you will get to meet lots of new friends, and I am sure you might have a few you already know from kindergarten. You will get to check out your locker, mailbox, and find out what seat you sit at. You are more than welcome to bring your parents into our classroom in the morning if they drop you off, and you can show them around. I will be standing by our door in the hallway with a big smile, waiting for you. Here is what you should do when you get to school on your first day:

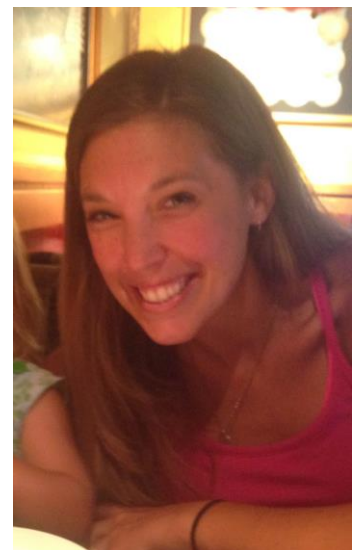

1. Line up in our class line near the Kindergarten doors.
2. Next, find your locker outside our classroom. Yours will have a star with your name on it. You can put your backpack and all your things inside your locker.
3. Come into the classroom to find your seat. You will have a table tag with your name on it.
4. There will be a fun activity for you to do at your new seat and you can get right to work.

If you want to learn more about our class and your new teacher, visit our class website at

I can't wait to meet you on the first day!

See you soon,
Mrs. Stafford ☺
